TO POTENTIAL CORINTHIAN COURT RESIDENTS

I am writing this letter on my own initiative because I want to commend to potential residents the benefits of retirement village living and in particular the joys of living in Corinthian Court.

My wife, Avonwen, and I moved here in December 2001 and we believe it is the best move we could have made. We were attracted to village life by the idea of increased security, a social life on site, less home and garden maintenance and the ability to lock the door and go caravanning when we wished. Corinthian Court has provided those benefits, but more importantly made us members of a warm, caring community.

Residents are able to join in village activities to the extent they wish but most find pleasure in joining in some, if not all that is on offer. Social activities centre on the well-appointed Club Lounge where weekly film nights, bingo sessions and Friday Sundowners take place. Major celebrations such as Easter, Mothers' Day and Christmas are occasions for luncheons or dinners. Normally bowls are played three times a week and the swimming pool is open throughout summer. A well-stocked library offers a wide range of reading material and hairdressers and a podiatrist provide services regularly.

The Residents' Committee maintains a close working relationship with management as it meets monthly to deal with a wide range of matters on behalf of residents. A monthly newsletter keeps residents informed of Committee activities and reports on any social functions that have been held.

Above all, Corinthian Court is a very friendly place to live and if you decide to join us, I can guarantee you will be made most welcome.

Ron J Elphick

Chairman – Corinthian Court Residents' Committee.
